An Exciting Episode. Mr. Sims Latta and his daughter, Mrs. Johnson, had a delightful trip to the Reunion in Louisville last week, but while there they witnessed quite an exciting episode.

During their stay in Louisville, they were guests of Mr. Baker, an uncle of Mrs. Herbert J. Latta, in a fashionable part of the city. During the night the residence caught fire, and the flames spread to the stairway, cutting off Mr. Baker and his young son, who were sleeping in the third story. Apparently their only way of escape was by jumping from the window, and they started to do so; but through the presence of mind of Mr. Latta, they were persuaded not to, and induced to remain in the building until a rope could be gotten to them, by means of which they lowered themselves to the ground.

WEDDING BELLS.

Smiser-Williamson.

At 5:45 o'clock Tuesday morning, Mr. James A. Smiser and Miss Mary Williamson were united in marriage at St. Peter's church, the Rev. Baker P. Lee performing the ceremony.

The lovely church, all adorned in palms and smiles; the early and refreshing hour of a June morning; the family and friends gathered there to wish them well and happy; the sweet music rendered as only Miss Herndon can; the beautiful ceremony; the solemn words, "I take thee," "for better or for worse," "until death us do part," as they were softly breathed out upon the morning air, made a solemn and impressive scene, and the blessing pronounced upon the happy couple was felt by all.

As the ushers came down the center aisle to the strains of "Calking Festa," the groom, with his brother Dr. M. B. Smiser, came from the vestry room to the right of the center aisle at the chancel to await the coming of the bride.

After the ushers had taken their positions in the chancel the bride came in leaning upon the arm of her father, Maj. John I. Williamson, attired in a traveling costume of ecru color, with hat and gloves to match, and carrying a prayer book in her hand. She was met at the steps of the chancel by the groom, and there they plighted their troth, and at the chancel rail they were pronounced man and wife, and the party left the church to the strains of an elaborate postlude by Batiste.

The bride is the eldest daughter of Maj. John T. Williamson. She is a young woman of exquisite culture and refinement, much loved and admired for her strong and beautiful character and for the many graces of mind and manner. She will indeed be a helpmeet and a blessing to him, who, in every respect, is worthy of so rich a triumph.

Mr. Smiser has for some years been a prominent member of the Columbia bar, and by reason of his ability, force of character and sterling worth, stands in the front rank. He is a man of active public spirit, having just recently served a term as president of the Citizens' Telephone Company, which organization owes no little of its success to his undying zeal and patriotic effort. Besides his standing as a professional man, he is universally honored and loved for all that is good and true. A man of spotless integrity, a devoted son and brother, a warm and generous friend, a true and noble man.

Their many friends wish them a long and happy life.

The ushers were Dr. K. S. Howlett, Dr. O. J. Porter, F. D. Linder, W. H. Wilson, Geo. B. Williamson and Judge Sam Howell.

The bridal couple left on the north-bound train just after the ceremony for a two weeks visit to the Virginia sea coast.

Approaching Nuptials.

Saturday's Banner contained the following:

"Judge and Mrs. W. K. McAlister announce the engagement of their daughter, Medora, to Mr. George Frederick Blackie. The wedding will be very quietly celebrated on the evening of Wednesday, June 20, at the present residence of Judge and Mrs. McAlister on West End avenue."

"The news of this engagement and approaching marriage will be received with more than usual interest, owing to the prominence of the two families to be united and the widespread popularity of Miss McAlister and Mr. Blackie."

"Miss McAlister is one of the most charming girls of Nashville, being unusually attractive, having that indescribable charm and grace of Southern girlhood. Miss McAlister is very bright and clever. She is not only popular here, but in many other cities where she has visited and received the homage rendered always to a lovely girl."

"Mr. Blackie now resides at Mt. Pleasant, where he is interested in the phosphate beds. His father Hon. George Blackie, was a scholar of fame and a very brilliant man. His mother belongs to the Cheatham family, being a sister of the late Gen. B. F. Cheatham."

Capt. Robert Davis Smith announces the marriage of his daughter, Miss Emma Davis Smith, to Mr. Milo Henry Smith, the ceremony to take place on Tuesday evening, June 12, at 8:30 at the home of the bride-elect's aunt, Mrs. Rufus Burkhardt, at 515 East Fourth street, Cincinnati, Ohio. Mr. and Mrs. Smith will be "at home" after July 1, at 198 Farwell avenue, Milwaukee, Wis. The ceremony will be performed by Rev. W. N. Guthrie, of Cincinnati, who was for some time professor of English at the Athenaeum.

After the ceremony Mr. and Mrs. Burkhardt will give the bridal party an elegant reception. Mrs. Burkhardt has sent to Mrs. Preston S. Fleming, of this county, for the bridal cake, which will be made in the shape of a large bunch of snow-balls, made of icing, each being connected with the center by a wire. Each guest will take a ball, and in one there will be a ring, in another a five cent piece, and in another a darning needle.

Approaching Nuptials.

The marriage of Mr. John Trotwood Moore to Miss Mary Brown Daniel, whose engagement has been previously announced, will occur next Wednesday the 13th, at Wesley Hall, Vanderbilt University, Nashville, in the afternoon, and the bridal couple will leave that evening for Chicago and the Great Lakes.

Orman-Adkisson.

Miss Etta M. Adkisson will be united in marriage to Mr. J. Sykes Orman in the First Cumberland Presbyterian church of this city, on June 19, the hour of the ceremony to be fixed later. Both parties reside in Columbia, and have many friends who will extend congratulations in advance.

Mrs. M. E. Taylor, of Collico, announces the marriage of her daughter, Claude, to Mr. John P. Graham, at 5 p. m. Wednesday, June 27, 1900, at the Methodist church at Collico. No cards.

PROF. W. E. BOSTICK

Re-Elected Principal of the White School Tuesday Night.

Prof. J. H. Kelly Re-Elected Principal of the Colored School, and Salaries of the Teachers Raised.

At the regular meeting of the Board of Education Tuesday night, the matters of electing principals for the white and colored schools, and fixing the salaries of the teachers, were taken up.

Prof. W. E. Bostick was re-elected principal of the white school, and his salary was increased from \$800 to \$1,000 per year. The salary of each teacher was also raised \$5 per month.

Prof. J. H. Kelly was re-elected principal of the colored school, and his salary was increased from \$50 per month to \$80. The salaries of all the colored teachers were also raised \$5 per month, except the High school teacher, whose salary remains at \$40 per month.

The teachers will not be elected until the meeting of the Board next Tuesday night at 8 o'clock, as the examinations have not yet been held. The teachers for the grammar school department will be examined Saturday morning at 9 o'clock, and the teachers for the High school department Monday morning at 9 o'clock, the examinations for the white and colored teachers to be conducted in their respective buildings.

The special positions of writing and music teachers in the white school were abolished, and this work will in the future be assigned to one of the regular faculty.

The Board adopted the revised rules for governing the city schools, which will be referred to the Board of Mayor and Aldermen for approval, after which they will be printed and distributed.

DISTINGUISHED HONOR.

Dr. Witherspoon Reads Principal Address Before American Medical Association.

The Nashville Banner of yesterday says:

"Dr. John A. Witherspoon, Dr. Duncan Eve and Dr. W. Frank Glenn of this city are attending the meeting of the American Medical Association now in session in Atlantic City. At the last annual meeting of the association Dr. Witherspoon was selected to deliver the address on 'The Practice of Medicine,' and yesterday was the date of its delivery. The assignment of this address is considered the highest honor in the gift of the association, save its presidency, and the selection of Dr. Witherspoon was an especial honor, because he is probably the youngest man upon whom this recognition has ever been conferred, and it comes from the fact that Dr. Witherspoon has for several years filled the chairs of Theory and Practice in the medical department of Vanderbilt University with such distinguished ability. This address was read last year by Dr. J. P. Wilson of Philadelphia, and in many years gone by it has been assigned to some of the most eminent men in the profession."

Dr. Witherspoon was a Knob Creek lad in his earlier days, and later a practicing physician in this city, and his legion of friends in this county are much gratified at his steady and continuous mount upward.
